

## TOTE BOXES

21-200-00xx

### Product specifications

|                     |                                                                                                                                                    |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Material:           | Polypropylene (copolymer)                                                                                                                          |
| Colour:             | black                                                                                                                                              |
| Surface resistance: | $\leq 10^{10}$ Ohm                                                                                                                                 |
| Volume resistance:  | $\leq 10^9$ Ohm                                                                                                                                    |
| Usage temperature:  | 80°C. Please note that depending of load, deformation can appear from 50°C                                                                         |
| Stackability:       | All containers may be stacked together in a wide range of configurations. Not stackable with conductive tote box (ref 21-701-xxxx and 21-700-xxxx) |
| Comply with:        | IEC 61340-5-1                                                                                                                                      |

### Features and Part Number

| Part Number | External Dimensions<br>LxWxH (mm) | Internal Dimensions<br>LxWxH (mm) | Weight<br>(Kg) | Vol.<br>(L) |
|-------------|-----------------------------------|-----------------------------------|----------------|-------------|
| 21-200-0005 | 400 x 300 x 120                   | 370 x 270 x 115                   | 0.93           | 11          |
| 21-200-0010 | 400 x 300 x 170                   | 370 x 270 x 165                   | 1.1            | 16          |
| 21-200-0015 | 400 x 300 x 220                   | 370 x 270 x 215                   | 1.29           | 21          |
| 21-200-0020 | 400 x 300 x 270                   | 370 x 270 x 265                   | 1.63           | 26          |
| 21-200-0025 | 400 x 300 x 320                   | 370 x 270 x 315                   | 1.9            | 31          |
| 21-200-0030 | 600 x 400 x 75                    | 570 x 370 x 70                    | 1.2            | 14          |
| 21-200-0035 | 600 x 400 x 120                   | 570 x 370 x 115                   | 1.47           | 24          |
| 21-200-0040 | 600 x 400 x 170                   | 570 x 370 x 165                   | 1.8            | 34          |
| 21-200-0045 | 600 x 400 x 220                   | 570 x 370 x 215                   | 2.07           | 45          |
| 21-200-0050 | 600 x 400 x 270                   | 570 x 370 x 265                   | 2.5            | 55          |
| 21-200-0055 | 600 x 400 x 320                   | 570 x 370 x 315                   | 2.7            | 66          |
| 21-200-0060 | 600 x 400 x 420                   | 570 x 370 x 415                   | 3.41           | 87          |
| 21-200-0065 | 800 x 600 x 120                   | 770 x 570 x 105                   | 3.7            | 46          |
| 21-200-0070 | 800 x 600 x 220                   | 770 x 570 x 205                   | 4.67           | 89          |
| 21-200-0075 | 800 x 600 x 320                   | 770 x 570 x 305                   | 5.8            | 133         |
| 21-200-0080 | 800 x 600 x 420                   | 770 x 560 x 405                   | 7.11           | 177         |
