

SMD WORKBENCH CABINET

25-305-30xx and 40xx

Small parts cabinets, available in 2 sizes with heights 290 and 550 mm. The design combines the use of a strong, conductive polypropylene frame and galvanized steel shelves in such a way that small drawers of conductive polystyrene sit securely within the frame work. Supplied with labels and connector for earth lead.

All cabinets can be wall hung or mounted on space-saving turntables or stood on the workshop.
